**BK** TECHNOLOGIES®

If you are a B-K user, you already know the value-added B-K brings to the table.

Don't Miss Out! The Dual Band Free Promotion Ends March 31, 2026.

**If you are a B-K user, you already know the value-added B-K brings to the table:**

**TRUE VALUE OVER THE COMPETITION** to include P25 interoperability, on the spot radio to radio cloning, the standard radio for the USDA Forest Service and many other government agencies, fair software pricing, free upgrading of software and interoperability with radios from DPH portables & DMH mobiles up through and including KNG-M mobiles and both BKR5000 VHF only and BKR900 Tri Band capable portable radios. And, shortly, the NEW BKR9500 Tri Band mobile (to be introduced this year).

Now the question  
**WHICH PORTABLE – the BKR5000 or the BKR9000 is best value for you?**

FEATURE	BKR5000	BKR9000
Band Capability	VHF only	Tri Band capable and field upgradeable
Warranty included	2 years	5 years
Battery Capacity	4900mAh	4900mAh
WiFi Capability	Not available	Included in the initial cost
WiFi OTAP	No - never	Available now
Trade In Credit	No	Yes - \$300.00 for any P25 radio

**HURRY!**

To encourage you to buy the BKR9000 now, **B-K is offering the BKR9000 with TWO FREE BANDS with any order placed before March 31, 2026.** That means for any BKR9000 you order by March 31, 2026, you can get **TWO Free Bands** included in the base price and you pay only for the **THIRD** band if you want it.
